I attest that all of the members of my household are also in agreement with the decision to provide a loving home for a Siberian under the terms of the Jalerran sales contract.

### Breed Information

[www.siberianhusky.ws/breed.html](http://www.siberianhusky.ws/breed.html)

I have read the breed characteristics and am aware that Siberians are high maintenance.

### Contract

[www.siberianhusky.ws/pdffiles/puppycontract.pdf](http://www.siberianhusky.ws/pdffiles/puppycontract.pdf)

I have read the Jalerran pet sales contract and agree to provide a signed copy at the time of purchase.

### Purchasing Policies

[www.siberianhusky.ws/policies.html](http://www.siberianhusky.ws/policies.html)

I have read the Jalerran purchasing policies and understand that they include (but are not limited to) requirements such as: providing annual health and behavioral updates; ensuring proper training, nutrition, socialization, training, safety, and veterinary care; scheduling and overseeing recovery for spay/neuter procedure (pets); and never surrendering my Siberian to a humane society, shelter, or rescue.

I have read the Jalerran deposit policy and understand that my deposit, or any money paid towards the purchase price, is non-refundable. I understand that my coat, eye color, or gender preferences cannot be guaranteed now or at any point in the future, so I will either need to wait for a puppy meeting my specifications to be available and offered to me, or otherwise be flexible with my preferences.
